III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

Travel By Train and Underground

Travelling to ExCeL London just got a whole lot easier with the introduction of Cross-Rail or The Elizabeth Line. The Paddington to Abbey Wood section is now open and the entire line from Heathrow and Reading in the west to Shenfield and Abbey Wood in the east is due to open in the Autumn. This super-speedy line means that journey times will be dramatically reduced. Custom House is the station just outside ExCeL and is 4 minutes to Canary Wharf, 11 minutes to Liverpool Street, 14 minutes to Farringdon, 19 minutes to Bond Street and 22 minutes to Paddington.

ExCeL London is also connected to London Underground and London Overground by DLR (Docklands Light Railway) which is a part of the London Underground network. The Jubilee Line and the DLR are connected to ExCeL London. Visitors to the Horse Show should alight at the Prince Regent Station on the DLR. Trains pull up at a covered walkway leaving visitors with less than two minutes to walk to the entrance.

Air Travel

ExCeL London is located in very close proximity to London City Airport. In the event it is not possible to fly to London City, the next nearest airport is London Stansted.

River and Cable Car

By River: The route is serviced by MBNA Thames Clippers.

Cable Car: The UK's first urban cable car, known as the Emirates Air Line, connects ExCeL London to the O2 and North Greenwich tube station.

To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

2.1. ATHLETES, OWNERS AND SUPPORT PERSONNEL

2.1.1. Personal Accident and Health Insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

2.1.2. Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

2.1.3. Press Equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. Members of the Press are advised not to leave any equipment or personal items unattended.

2.2. ATHLETES AND OWNERS

2.2.1. Third Party Liability Insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

2.2.2. Additional Liability Information

All exhibitors, competitors, owners, riders, handlers, drivers and/or producers, members of displays etc. at London International Horse Show are personally responsible for damages to any building, land, equipment or otherwise on the Showground or other areas of ExCel or to any third persons caused by themselves, their employees, their agents or their horses. It is a requirement that they have in force third-party insurance providing full coverage for participation in or at the London International Horse Show. Such insurance cover for third party liability should be for no less than £2 million.

2.2.3. Horse Insurance

As an Owner you should ensure that your Horses are adequately insured against any injuries or illnesses they may sustain while participating at a FEI Event.

<https://inside.fei.org/content/general-regs-statutes>

4. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

5. STEWARDING

- If an athlete is uncertain as to whether the boots they intends to use during an event are allowed, they or their representative should show the boots to the Chief Steward for their opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.

- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask their groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and replace the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

6. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

8. ADDITIONAL INFORMATION FROM THE OC

Additional Information relative to Covid 19 procedures at LIHS 2022

Please note, that these procedures are subject to change based upon the actual National and Local restrictions in force in England at the time of the event. Currently, the following procedures are likely to be in place:

- Wherever possible, contact the show office using electronic means (e-mail) or by telephone. In the case that a visit is necessary, please complete any necessary papers/forms or information relating to the visit prior to entering the office.
- In the case of the Stable Manager's Office and placing orders for feed & bedding, please call the Stable Manager using a mobile telephone.
- With regard to declarations for competition and as far as is possible, these should be done using a mobile telephone
- End of show accounts will be prepared and e-mailed to each athletes as early as possible. You may be required to arrange an appointment time for attending the accounts

office prior to your final departure from the show.

Competition, Schooling and Exercise Areas:

- Confirmation of the daily timetable, the order to go and/or specific ride times will be published as soon as possible after the close of declarations each day and updated whenever any additional changes become necessary.
- You are requested to restrict the number of people accompanying a horse to the competition arena to those persons who are needed for safety or for achieving effective competition. All must comply with social distancing requirements along with any other local Covid control measures in force at the event.
- Please be aware, it may be necessary to book specific time slots for access to the various arenas for 'out of competition' exercise. If required, this should be arranged by liaising with the FEI Stewarding Team at the event.

Recommended Best Practices for Participants while present on the competition grounds:

- Provide hand sanitiser and masks (along with instructions on the correct use and safe disposal of masks) to your stable staff and other personnel and require that they use them while on the venue.
- Regularly sanitise high touch / use items such as car & truck door handles, stable doors, bucket handles, light switches, etc., and equipment including tack, grooming, feeding, stable cleaning materials, etc.
- Avoid sharing of equipment and materials and, if sharing is necessary, thoroughly wipe with an effective sanitising material before and after use.
- Use closed bins for waste disposal.
- Provide thermometers to staff with instructions that they must monitor their temperature daily. If any individual records a temperature higher than 37.5 degrees Celsius (99.5 degrees Fahrenheit) or exhibits Covid-19 symptoms, they should self-isolate and follow the steps communicated by the OC.
- Explain social distancing measures to your staff and limit access to stabling area and competition grounds to essential personnel only; discourage multiple family members from accompanying Owners and Athletes.

Additional information and updates will be provided in the weeks immediately prior to the event. Details will be communicated direct to the NF's of Athletes confirmed as 'Definite Entry's'.

In case of a tie for the 12th place in a competition with 12 to 48 starters, the prize money foreseen for the 12th place will be divided equally among the athletes concerned.

For Competitions run in two rounds with more than 12 starters in 2nd round:

OCs that indicate in the schedule that a specific number (that is more than 12) of athletes will return for the second round will be permitted to distribute the prize money for that competition among all the athletes taking part in the second round, even if the second round is followed by a jump-off in case of a tie on penalties for first place after the second round.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

Would overseas competitors please note that any payments (including prize money and prizes in kind) made in excess of £12,570 are subject to taxation at source.

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first twelve (12) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12th) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13th) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12th)

10. MAXIMUM NUMBER OF STARTERS PER COMPETITION

***Annex VI FEI Jumping Rules:**

Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must split the Competition into the number of groups required to ensure that there are no more than 100 starters in any group, and provide the same amount of prize money as indicated for the original Competition for each group. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

OCs may apply either of the following methods for splitting the Competition:

The competition is split into the number of groups required before it starts. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group. If it is not possible to have groups of equal size there may be a different number of starters in each group;

OR

The competition is run as one single competition and split afterward into the number of groups required to ensure that there are no more than 100 starters in any group, and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. *NB: In this case separate results must be sent to the FEI for each of the groups, e.g. results for Competition 1a and for Competition 1b (and for Competition 1c if the original Competition was split into three groups, etc).*

In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the final number of starters that determines whether the Competition must

be split.

As all FEI World Cup™ Competitions have the status of a Grand Prix, the minimum prize money requirements for the Grand Prix are applicable to the FEI World Cup™ Competition. For CSI-W Events with a Grand Prix Competition in addition to the FEI World Cup™ Competition, the minimum prize money requirements for the Grand Prix apply only to the FEI World Cup™ Competition; the Grand Prix Competition at such Events cannot offer more prize money than the prize money offered for the FEI World Cup™ Competition.
