III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

Travel By Train and Underground

Travelling to ExCeL London just got a whole lot easier with the introduction of Cross-Rail or The Elizabeth Line. The Paddington to Abbey Wood section is now open and the entire line from Heathrow and Reading in the west to Shenfield and Abbey Wood in the east is due to open in the Autumn. This super-speedy line means that journey times will be dramatically reduced. Custom House is the station just outside ExCeL and is 4 minutes to Canary Wharf, 11 minutes to Liverpool Street, 14 minutes to Farringdon, 19 minutes to Bond Street and 22 minutes to Paddington.

ExCeL London is also connected to London Underground and London Overground by DLR (Docklands Light Railway) which is a part of the London Underground network. The Jubilee Line and the DLR are connected to ExCeL London. Visitors to the Horse Show should alight at the Prince Regent Station on the DLR. Trains pull up at a covered walkway leaving visitors with less than two minutes to walk to the entrance.

Air Travel

ExCeL London is located in very close proximity to London City Airport. In the event it is not possible to fly to London City, the next nearest airport is London Stansted.

River and Cable Car

By River: The route is serviced by MBNA Thames Clippers.

Cable Car: The UK's first urban cable car, known as the Emirates Air Line, connects ExCeL London to the O2 and North Greenwich tube station.
